

HAPPY FEET Peace Oratorio Version

Ba..., ba da ba doo ba ba, Ba..., ba da ba doo ba ba 2X

Yesterday, we were so sad Oh so sad
Heads were hangin' we were feeling so bad
Ooh, March to Freedom...

But then we heard a change was on the way
The March for Freedom goes to Washington today

Now we got Happy Feet, Happy Feet, Happy Feet

Marching to a Freedom beat
Happy Feet, Feeling Proud, Happy Feet
And you know we're feeling proud
We got Happy Feet Listen to us sing it loud, Sing it!

Ba..., ba da ba doo ba ba, Ba..., ba da ba doo ba ba

Now I tell you what... SAY WHAT? No more feeling sad and low

We're gonna get on up GET ON UP! and move on down that road

And we are not afraid of their bullets or their guns

We're gonna shout out to the world that our Freedom is gonna come

Gonna come, Gonna come
Our Freedom is gonna come (Ad Libs)

Yesterday, we were so sad Oh so sad
Heads were hangin' we were feeling so bad
Ooh, March to Freedom...

But then we heard a change was on the way
The march for Freedom goes to Washington today... Sing it!

Ba..., ba da ba doo ba ba, Ba..., ba da ba doo ba ba 2X

Oh I tell you we got Happy Feet, Happy Feet, Happy Feet
Yes we got Oh we got, Marching to a Freedom beat Yeah we got
Happy Feet, Feeling Proud, Happy Feet
And you know we're feeling proud

We got Happy Feet and you can hear us sing it loud, Sing it!
