

# NOW THEY BELONG TO THE AGES

(Solo) Now they belong to the ages

On the mountain high

The fire no longer rages

Peace be on their lives

The time for hatred is over

The time for love is near

Now they belong to the ages

But there's no need to cry

The time for hatred is over

The time for love is near

Your arms so impotent and useless

Lie still, fall silent, disappear

Solo : Electric Guitar

(Solo + Choir) The time for hatred is over

The time for love is near

Your arms so impotent and useless

Lie still, fall silent, disappear

Lie still, fall silent, disappear
