(Tenors) I'm all alone, seem to've lost my home

(Sop/Alt) Don't be afraid, we'll take you there

(T) Sometimes I feel afraid, I need someone to take me there

(T) 'Cause I believe in Mystery

(T) I can Talk To The Angels

(S/A) softly You can, you can, you can, you can

(T) I can listen to what they say

(S/A) You can, you can, you can

(T) Talk to the angels in my head

(S/A) Come when things get rough, Come and talk to us (2x)

(S/A/T) We believe in Mystery, oh

Talk To The Angels ... you can, you can, you can

Listen to what they say

Talk To The Angels ... you can, you can, you can

Listen to what they say

(T) then (S/A) Don't you when life gets rough

Don't you know you gotta keep from crying

Don't you when things gets tough

Don't you know you gotta keep on trying
