

Down To The River

Down To The River,

Down like a pouring rain

Down To The River,

Down like a pouring rain

Show me the water of life

Flow in the river of peace

Show me the water of life

Flow in the river of peace

Show me the water of life

Flow in the river of,

In the river of, In the river of

In the river of peace

Down To The River,

Down like a pouring rain

Down To The River,

Down like a pouring rain

Yes, your peace would have been like the river

Your righteousness like the sea

Yes, your peace would have been like the river

Your righteousness like the sea

Whoa, Oh.... Down!

Down, Down, Down, Down.

Show me the water of life

Flow in the river of peace (4x)

Yeah, Oh, Ah... (4x)

Down, Down, Down, Down (3)
